

# Ladies Ringing Afternoon

The next ladies ringing in February will be held at:

**St. Peter's, Farndon**

**6 Bell Tower**

**Tuesday, 19th February at 2:00**

Ringers should be able to handle bells well. We will work on a range of methods including Plain Bob Doubles and Minor, St. Simon's, Grandsire, and other suggested methods on the day. We will need advanced ringers to guide learners.

In bad winter weather use your own discretion on travelling out, and please ring ahead to see if the venue is still open on the day.

All districts are welcome, and we look forward to seeing you.

Christine Raithby (01636 815034) Newark District
