

Ladies Ringing Afternoon

The next ladies ringing in September will be held at:

St. Mary's, Greasley

8 Bell Tower

Tuesday, 17th September at 2:00

Ringers should be able to handle bells well, and do some plain hunting.

A variety of 6-8 bell methods will be rung. Popular methods like Grandsire Triples, Plain Bob Doubles/Minor, and Cambridge are practiced. If possible have a look at methods beforehand.

We will need advanced ringers to guide learners.

All districts are welcome, and we look forward to seeing you.
